On behalf of the National Supermarket Association, we are pleased to invite you to sponsor our annual NSA FL Golf Classic benefiting our Scholarship Foundation. The tournament will take place on Wednesday, April 24th, 2019 at the Trump National at Doral.

With the support of sponsors like you, in the last 7 years, the NSA FL Scholarship Foundation has granted more than \$350,000 in educational scholarships to deserving underprivileged students from neighborhoods served by our member's supermarkets.

Your participation this year will empower our foundation to award scholarships to students who are in critical need of assistance to pay their college tuition and ultimately achieve their educational dreams. Many of these students are the first in their family to pursue a college degree, by helping them achieve their goals; you are helping an entire community.

Our tournament provides sponsors with a great opportunity to meet and create new partnerships with NSA members and other business colleagues. It is also a great opportunity to network, entertain clients and business associates.

**After the Golf Tournament, we will hold our Scholarships Awards Ceremony. During this dinner, the Board of Directors will award scholarships raised at our golf outing to those students selected by the Scholarship Selection Committee. **

Please see the attached reservation form for sponsorship opportunities.

We believe that education is critical to creating strong communities. What effects one of us impacts all of us. We are looking forward to your support and participation. Do not hesitate to call us at 305-340-1094 if you have any questions or need further assistance to customize your sponsorship.

See you at the tournament!

Sincerely,

NSA FL Board of Directors
